Special Instructions & Scoring Rules

- **Event Limit:** A competitor may participate in a maximum of **two out of three events** (Artistic Solo, Artistic Pair, Rhythmic Yoga) **plus** the Free Flow Yoga Sports competition.
- **Timing Protocol:**
 - **Start:** Competitor waits in a standing pose (not a yoga posture). Music starts → movement/posture begins. Timing starts immediately when the music begins.
 - **End:** Timing stops the moment the competitor first joins palms for a *baudhara* or bows down. Returning movements are not counted.
- **Music Preference:** Melodious, devotional, and classical music are preferred.
- **Arena Boundaries:** Competitors must stay strictly within the marked arena. **Half a mark is deducted** every time a competitor crosses or touches the boundary line (deducted from transition marks).
- **The 5-Second Rule:** Competitors must stay for at least **5 seconds** in every Posture, Pyramid, or Formation. Failure to do so results in the cancellation of that specific formation, affecting the overall difficulty score given by the judging panel.

- **Props: No props** are allowed in Artistic (Solo), Artistic Pair, Rhythmic, or Free Flow Yoga Sports competitions.
